

70 Years!

We as Shalom Ministry Association are grateful to God for the 70th anniversary of the independence of the modern State of Israel.

This State was established on the basis of the UN Resolution 181 from the 29th November 1947 and formed on the part of the former Britain's Palestine Mandate.

But it was the Almighty God who worked behind all those historical and political events. He is faithful to His covenant with His beloved nation.

A very important act during this anniversary was the decision of the US government to recognize Jerusalem as the capital city of Israel and move their embassy to this city.

Who has ever heard of such things? Who has ever seen things like this? Can a country be born in a day or a nation be brought forth in a moment? Yet no sooner is Zion in labor than she gives birth to her children. Is. 66:8
