

Hanukkah food parcels

Last year, thanks to your generosity we managed to collect a sum of money that allowed us to buy 500 Hanukkah food parcels. Those parcels were a huge blessing and help for the Jewish families from the Ukraine during those hard times of war and economic hardships.

This year, the holiday of light is beginning throughout the world on the 3rd of December. It is a joyful time of celebrating God's victories in the history of His chosen people and His loving care and provision.

As the Shalom Ministry Association again we want to show our heart's concern for as many of our precious Jewish friends as possible, who live in such difficult circumstances in Ukraine, in this difficult time before the holiday, when many of us are giving presents to each other. A holiday food package will be an evidence to them of God's provision during this winter season.

For this reason we want to ask all of you, whoever is able, to set aside a sum of money to help provide these Hanukkah food parcels. Instructions for sending this fund are included below. May God bless every willing hearted person and cause the coming Hanukkah holiday to be full of joy for many needy people.
