SOS-PROJECT

Dear Friends,

Under the SOS project we want to introduce you to 50-year-old Tania who lives in Vinnytsia. Tania lives alone and maintains her teenage son. She suffers from multiple sclerosis. Lately she experienced a house fire. She lost almost all her possessions and home in the fire. Tania desperately needs funds for a complete overhaul of her damaged house.

Tania is a disabled person who is unable to help herself in this difficult situation. Tania put her hope in the Messiah of Israel – Yeshua and above all counts on our prayers for God’s solution for her, but also on a practical support in her needs.
